Mr. Lerow has just returned from Europe, where (in connection with Wm. H. An association of gentlemen in this town having purchased the Patent Right for this State of the above named Sewing Machine, and desiring to become fully acquainted with its operations and merits, appointed one of their number, Mr. P. Polley, (a well known and practical machinist,) to visit New York for this purpose. After a full and careful investigation of all matters pertaining thereto, Mr. Polley reports that he has witnessed the Sewing Machines in the highest state of successful operation. He took occasion to examine various other Machines intended for this purpose, none of which will bear a comparison with Lerow & Blodgett's; and parties who had purchased another right have abondoned it

An improved Machine, brought on by Mr. P., is now in operation at the Tailoring Establishment of Mr. Chas. Barr, where it may be seen. We are now prepared to sell County and Town Rights of this Patent, and we respectfully invite the attention of all who wish to make money to the merits of this Sewing Machine, which tells its own story.
